

### Product Features

- Tumble Dryer
- Full load capacity: 7.5 kg
- Drying status indication for: Anti-crease, Cool down, Drying
- Program card languages:
- Delay start option
- Display type: Display 3 digits and LED
- Indications for: Buzzer
- Superior colour care
- Preserve shape and texture
- Perfect Pairing with Upside Down Installation
- Electrical Specs : 220V - 60Hz - 1ph
- Appliance HxWxD (mm): 850 x 597 x 625

#### Product Specification

Width of the product	597
Height of the product (mm)	850
Depth of the product	625
Product Type	Full-Size
LIST_PRGR	Information in Manual
Colour	Medium Silver
Panel colour	Medium Silver
Drying Capacity (kg)	7.5
Dryer Type	Sensor Dry
Motor system	Induction
Frequency	60
Energy class	None
Voltage	220-230
Connected Load	1500
Cord Length	1.8
